# Campo alla Sughera

## “Arnione” Bolgheri Rosso Superiore DOP

---

---

*This part of Tuscany is renowned for alabaster carvings. Arnione is a kidney shaped piece of alabaster, the heart of top quality gypsum, found on the Campo alla Sughera estate. A truly phenomenal wine with power, complexity, and a long silky finish. Aromas of blackberry, chocolate, leather and herbs (mint, tarragon, & lavender). Outstanding complexity gives notes of root beer, cherry, and cedar as well. Velvety rich tannins and a persistently pleasant finish. We recommend serving this wine with grilled meats, wild game and boar.*
