Rosso di Montalcino DOP

A wonderful way to experience the superior Sangiovese Grosso clone, the Rosso di Montalcino is perfect to consume while waiting for the Brunello to peak. Fresh and lively, with a beautiful maraschino cherry nose. Dark fruits, especially blackberries on the nose, with a violets and a hint of anise. A bright cherry finish rounds out this well balanced wine. The acidity and fruit are well balanced, making this wine great for a variety of foods. Simply prepared lamb, rabbit, and pork are our favorite pairings.
